

Dear Golfers,

The 2023 golf season and warmer weather are just around the corner. There are a lot of events planned for this season, but there is always room for more. If you have a class/family reunion, wedding ceremony or reception, graduation party, wedding or baby shower or just want to get a group together to golf, let us help you plan your event.

Need a night out? We are open Friday nights for dining year round with a full menu. During golf season food is available every day. We hope this season will bring a lot of pars and birdies to all our golfing friends!

Play golf!

Farmers Golf & Health Club
